## Customer Reviews

First off, are you looking for Hooters Hot Wings? This is not the book for you. If you are looking for creative ways to prepare Game Day Eats, well this is the book that may help you create new and exciting dishes. This book contains many creative ways to prepare chicken wings, please note, none are from their restaurant. This book also has some interesting appetizers and other meal suggestions that may please those who enjoy the tailgate. I thought it was a big odd the photos in this book aren't very good. They are sometimes blurry, and well honestly not that appealing. Their recipes are good, the instructions are clear. If you are looking for their restaurant recipes, put this book down and grab one of those copy cat books.

What a Surprise . . . these recipes are GREAT !!! I like HOOTERS Restaurant, but I LOVE THIS COOKBOOK. We have been using the recipes all fall at our favorite college football pre-game PARTIES. We cooked up a mess of "Fire-in-the-Hole Kabobs" for our tail-gating before the Oregon State blow out of USC . . . YES !!! The book says "Pull the pin and grit your teeth, soldier, 'cause these kabobs will blow you away!" Well, we blew the Trojans AWAY . . . Go Beavers !!!

I have always liked cookbooks that give you full color pictures of the meal should like after it is prepared. Very easy instructions to follow.

It is a great cook book to give as a gift to a man. It was well received . Thank you.

good recipes.....
