Origami Suncatchers: Create 20 Dazzling Stars For Your Windows

Synopsis

This title includes everything needed to make 20 beautiful pinwheels, stars and other patterns. The lovely ornaments are easy to make and different colour combinations provide room for creativity. It comes with 80 sheets of paper in 8 different colours and a glue stick. Create 20 dazzling stars for your windows! Enhance any window with stunning suncatchers that shine with a kaleidoscope of colours when light shines through their translucent layers. "Origami Suncatchers" includes everything you need to make 20 beautiful pinwheels, stars and other patterns. Different colour choices can create dramatically different results even when making the same pattern, so there's lots of room for creativity. These lovely ornaments are a snap to make: simply fold, cut and glue, then place in a window and watch the colours come alive!

Customer Reviews

LOVE the book- I am new to origami. It's really fun, and these are beautiful designs. The glue does not work at all. I'm using double-sided tape instead... Which I had to go out and purchase after I opened the kit. It would be better if the kit included double-sided tape in lieu of the terrible glue stick.

When the decorations are nice and the paper dose make it look pretty you will need to live/ work at a place were you get good sunlight. The glue however sucks. It dose not help the papers stick together at all.

These stars are a lovely paper folding craft. However the paper provided with the kit are not square and some of the paper was so off that I could not get the lines to match up. I have been folding

origami for about 25 years so I am very experienced with paper folding. The designs in this book are great but the paper provided in the kit isn't not great to work with.
