Who knew? Easy enough for my teenagers to understand - they have tried some of the training already. Poor Reggie doesn't know what's hit him! Well worth a read and you really should give the training a go - it's so much fun!

Guinea pigs are the cutest pets! You'll learn about the guinea pig's personality, how easy it is to train them, and how they truly make loving and faithful pets. Way to go Debbie for a cute and informative book.

The author is an expert on guinea pigs. The book is full of valuable and interesting facts about guinea pigs, how to care for them and how to train them. I did not realize how trainable these cute little animals are. I thought they were just the type of animal you held in your hands and put back into its cage. We are considering one for a pet and now I can teach it to do cool tricks!
