## Customer Reviews

There's so many easy recipes in this book, it's hard to decide which ones to prepare. I'm fortunate that my gang isn't picky, so I can experiment to my heart's content!!! Between the Appetizers and the Dips, I'm in snack heaven! Oh - the White Gold Popcorn? INCREDIBLE! Cookie Dough Cheeseball - I could eat the whole thing myself!! (All the ingredients are stuff you probably already have - and nothing the kids will groan 'that's gross' at!)

What a fantastic collection of delicious recipes for any party situation! I throw parties occasionally and was sort of running out of ideas and wanted to get some fresh recipes - there is a HUGE amount of inspiration here (as it says on the cover, over 100 recipes!), heaps of yummy and varied snack ideas for parties - the main groups are salsas, dips, chicken wings, dipping sauces, sliders, chilli, smokies and weiners, appetizers, snacks, desserts and drinks (I'm getting hungry just writing this!). This is pretty much all you will need for any and all party situations you find yourself hosting. A must have for your party planning. These tasty recipes are real crowd-pleasers and sure to be a hit every time! Depending on how often you host a party, it would probably take years to even try them all. Highly recommended!

This is a well-presented cookbook full of yummy recipes for popular party foods. It offers recipes that use the type of ingredients most people have on hand so it's easy to follow along and throw something together if you're in a bind, or don't have a lot of time. There's recipes for chicken wings, sliders, dipping sauces, smokies, dips, salsas, snacks and a few (I wish there were more!) desserts. The pictures are straight-forward and the layout is easy to follow along in the kitchen. The ones I've tried so far turned out really good!

My husband and I like to have friends over, I love to cook, bake, boil. Broil, grill, sometimes I run out of ideas. This book has helped me to serve delicious recipes, we never have leftovers. I make enough to feed an army when we entertain. Better too much than not enough.
