This book is written from first-hand experience of the writer's struggle with diabetes, and so helped me to trust the information within it a lot more. It starts off with a personal story reflecting their struggle and leads into the facts behind the condition, which I felt was a good transition. Overall it provides a lot of information and provides a great resource for anyone who's struggled to find the right diet before that works with their diabetes.

This book is very nice. Very lengthy i must admit but yet it contains a lot of helpful recipes. This book provided a lot of wonderful recipes that is very suitable for diabetic patient. One thing i noticed about the recipes mentioned in this book is that they contain low sugar which makes it suitable for them. This book also pointed out the need to do sugar detoxification. It really nice to go through a book like this
