Tree Of Life, Tree Of Knowledge: Conversations With The Torah

Synopsis

Viewing education through the prism of the Torah, Tree of Life, Tree of Knowledge takes the reader through the stages of learning, growth, and self-development that characterize human lives. The journey begins with education as it happens in the home, moves on to the institutions of society, especially schools, and then on to the questions of identity and commitment which constitute the hidden agenda of informal educational networks. • The self-education of the individual is explored: When does one grow up? What is really worth knowing? How does one cope with memories, illness, and anticipations of what lies ahead? This book examines some of the millennial conversation in an attempt to discover an educational philosophy in the Torah that can be relevant to life in the contemporary world.

Book Information

Series: Radical Traditions (Book 8)

Hardcover: 400 pages

Publisher: Westview Press; First Edition edition (September 14, 2001)

Language: English

ISBN-10: 0813365619

ISBN-13: 978-0813365619

Product Dimensions: 9.3 x 6.3 x 1.2 inches

Shipping Weight: 1.4 pounds
