Customer Reviews

My husband and I went to Tahiti for our honeymoon. I saw this book on .com and I just had to have it. The pictures, facts and drinks were amazing!! I decided to have a Tahitian party last weekend with my family and friends. I was able to recreate the Tahitian cocktails we had on our honeymoon and share some interesting facts about the islands, as well as, the hotels in the French Polynesia. The cocktails were so easy to make and they looked so festive. I was able to recreate the look of the cocktail by using the pictures in the book. Everyone at my party kept raving about how much they loved what they were drinking and wanted to see the Tahitian cocktail book. After looking at the book - they just had to have a copy. I was so excited about their requests, I can order this book on-line and have it shipped to my home just in time for Christmas. I do not have to "fight" the crowds at the mall! My party was a huge Tahitian success!! If you want to bring the French Polynesia Islands to your home and experience paradise - I highly recommend this book. Thank you for making my party festive and memorable!!!

My husband and I love this book. We went to Tahiti on our honeymoon and this book was given to us by a friend after we returned home. This book has so many pretty photographs from the amazing hotels in Tahiti, Bora Bora and the other islands as well as some nature shots from around the islands. There really is nothing like the hotels in Bora Bora. I wish we had the book before our trip because there were a lot of neat trivia facts in the book about Tahiti that would that it would have been good/fun to know in advance. The photos of the cocktail drinks are gorgeous. Not only are they

gorgeous, but they are easy to make and very tasty too! I have another cocktail book where the recipes are exotic but use ingredients that are complicated and make it too hard to really try many of the drinks. This book is just the opposite, there's a good variety of drinks and they are all practical and not too hard to make at home. Also, the different mai tai recipes were very interesting and very different. The first pages of information on making drinks - creating cocktails and discussions on the fruits used and liquors used are fairly standard but still good. Anyway, we love this book because it is so pretty, and we love the drinks and the photos in it. It is a great souvenir from a perfect trip. I'd highly recommend this book as a gift to anyone who is going to Tahiti or has been to Tahiti.

Richard Bondurant arranged a great trip to Moorea and Tahaa for my wife and I for our 10 year anniversary. This spectacular book is a great memory of our trip to Tahiti, and does an outstanding job of detailing all the exotic recipes that we jotted down on bar cocktail napkins while sipping fabulous drinks and sitting in the sun. I need to stock up on a few obscure ingredients before I can make all these wonderful drinks, but while it's snowing here for the winter, it's nice to just sit back, look at the amazing photos, read some of the trivia about Tahiti, and dream of going back someday soon. Thanks again Richard, for another great time!

I have never been to Tahiti, but after reading the fun, informative facts about Tahiti, seeing the beautiful pictures, and sampling some of the excellent cocktail recipes, I am ready to go! Mr. Bondurant's love and knowledge of Tahiti come through clearly in the book, which is very well laid out. It provides enough information and explains things in such a way that an amateur can make delicious Tahitian cocktails as well as the most experienced bartender. The fun facts about Tahiti, along with summaries of the total hotels and the gorgeous pictures, makes this book a must have. Until I can take my first trip to Tahiti, this book will help bring a little Tahiti to my home.

"Cocktails in Tahiti" is a must have for any lover of spirits with a tropical flair. The author has artfully put together a wonderful collection of cocktails, both old and new, from the scenic paradise of Tahiti. Colorful photographs and descriptions of each drink will have your mouth watering to imbibe several of these treats from the South Pacific. If you are looking for something new to bring some tropical flavor to your cocktail library, then you need this book!

Always looking for new and exciting cocktails to try, I purchased this book. Each page became more interesting, not only for the drinks presented but for the knowledge that Mr. Bondurant shares about

Tahiti, it's culture, local accommodations, etc. The photos are exceptional and each drink I have mixed has been better than the last. I have bought several as gifts for coworkers and friends. You won't be disappointed!

Not only does this book have a wealth of information on a destination we long to travel to, but it offers a wide variety of fun and DELICIOUS drinks. We love to entertain and it has been great having 'Cocktails in Tahiti' out at our parties...quite a conversation piece! Everyone loves the stunning photos of Tahiti, the scrumptious drinks, and the intriguing facts of the islands. Thank you!
