There Is Eternal Life For Animals

Synopsis

All animals go to Heaven. How do we know? We look in the book that God left us, the Bible. This book takes you through the Bible and proves through the scriptures that there is life after death for all the animals. It covers: God's relationship with the animals. The current life of the animal kingdom. The future life of the animals and its restoration. What animals are currently in Heaven? The topic of whether animals have souls and spirits. Includes numerous Bible scriptures, opinions and commentaries from Bible Theologians, visions, stories, near-death experiences of children, and personal experiences. Reviews many of the original Greek and Hebrew words and their translations. Praying for animals. Excellent, Outstanding and Life Changing! --Rev. Shirley Johnson, Florida
have just finished reading the book and feel that it was well done. --Rev. Dr. Jack Van Impe, Jack Van Impe Ministries, Michigan
It is a privilege to recommend There Is Eternal Life For Animals.
--Rev. Dr. Peter Hammond, Founder & Director of Frontline Fellowship, South Africa

Customer Reviews

There is Eternal Life for Animals: A Book Based on Bible Scripture (by Niki Behrikis Shanahan) offers real comfort for bereaved pet owners of faith. Investigated from a Christian perspective,

Shanahan delves into both the Old and New Testament to scripturally make her point: That animals have souls and they will spend eternity with their owners. Using the Scriptures, she discusses how man's sins affected all creatures, she describes a caring relationship between God and the animals, animals in Heaven and how, and how through Christ's sacrifice the animals are also redeemed. She also covers a more secular perspective through near-death experiences where people have witnessed their pets on the other side. Shanahan discusses the salvation of man and animals to convince the reader of an animal afterlife, not to convert the reader. This book will be a real comfort to Christians who have been taught that cats and dogs have no soul.

I was excited when I received this book to review, actually, I asked the author for a copy which is something I rarely do. If any of you have been following my reviews you know I am a Christian and an animal lover. This year has been a tough one for me personally, as I have lost 5 dogs and to me this was like losing family members. I needed to read this book and I was not disappointed. Is God truly interested in animals and what happens to them for eternity? The author has the answer to this question for you, with countless Scripture references, showing our loving Creator does indeed care about all of His creation, even your beloved Fido. Thank God! As an Ordained Minister of the Gospel I have always known that animals would be a part of eternity but never took the time to research the Scriptures on this subject as author Niki Shanahan has. I tip my hat to her for doing an outstanding job in bringing to light the truth of eternity for all living things. If your heart is broken because you have lost your beloved pet, this book will bring you peace. If you question where animals go when they die, this book will quiet your mind and bring a smile to your lips. A book that can be read with the heart and with the intellect, this is a must read for all that love animals and for those who have stepped so low as to be cruel to God's creation. After reading this book you may just change your actions, I hope so. Highly recommended reading, top of the line research.

Excellent, Outstanding and Life changing! Good job Ms. Shanahan! Thank you

Many people tell me how important their animals are to them. Some confide that they are closer to their pets than to family members. Many people take the loss of a dog or cat very hard. One way to work through the grief is to read about pet loss. *There is Eternal Life for Animals* is based on Bible scripture. The Bible tells us that God loves animals and that there are animals in Heaven. This book provides fascinating reading and consolation to those suffering from pet loss. As the author of *The Older Cat; Recognizing Decline and Extending Life*, I have done a lot of research and writing in this area. I can testify to the need for this book. Dan Poynter, ParaPublishing.com

I have a new booklet being published that will compliment every book ever written on the subject of animals in Heaven. Niki Shanahan has definitely received the spirit of God to have been able to tell it like it is. She has proven without any possible doubt that God's plans for animals include Heaven and that a soul and spirit were and are part of the makeup of every animal known to man. How and why so many can read such Biblical truths and still refuse to believe that animals go to Heaven is beyond me. You don't even have to interpret the scriptures on the subject. They are as plain as the nose on your face. Three cheers for Niki Shanahan and God Bless her for her book "There Is Eternal Life For Animals". It's bound to be a Best Seller.

We recently lost our beloved dog, and I have been having a very hard time dealing with the loss of her physical presence. Although I am a believer, I had always heard other Christians saying that animals do not have souls and therefore, would not be admitted to Heaven, even though I never believed that. This book is thoroughly researched and presents in a very clear and methodical manner the Scriptures that tell us that God indeed, does grant eternal life to animals, and that they do have souls. I found this book to be of great comfort to me, as I can't imagine an afterlife without my beloved pets that have left this earth before me. Thank you, Niki Shanahan and thank you, Pete, whose loving memory inspired your Mom to write this book. And thank you, God, for creating such wonderful and loving creatures who can teach us all so much if we dare to listen. P. Decker

Niki Shanahan has made it wonderfully clear that we will see our beloved pets in Heaven. Any one who has ever wondered about God's creation, all of the animals, our pets and what will become of them has to read this book! Bible scriptures plainly tell us that God loves his creatures and they will be in Heaven. Niki's research on this subject has been a blessing to me and my family. I want to thank Ms. Shanahan for her work and excellent research and for the comfort she has brought to me personally.
