Customer Reviews

there are a lot of good recipes in this book for the price ...some i already have but for the new chef this is a good starter soul food book

I wanted to find a simple recipe book with good soul food recipes. I can't wait to try some soul food.

To short,,,,,,not enough selections.....could have been better.....not really good recipes for way

back when people really cooked some soul food...

All my cooking friends these recipes are authentic and a jewel. If you were afraid to try these recipes, before don't be with these.

It was good enough for someone that wants to learn basic recipes. I would recommend this book to other people.

It has a few of the recipes I was looking for. Still looking for other cook books. Thank you for your help.

There seemed to be many recipes that should have been included in this book. But you get what you pay for.

Soul food I some of the most spicy food that you can fix and I live spice that is found in this book.
