Losing weight is always a losing battle for me. But reading this book has given me a new hope, maybe it is still possible for me to shed some weights off. And one revelation I got from this book is that I should stop dieting and instead have a strategy that will surely work. And knowing how popular and effective the Weight Watchers is in this department, I think that what I read from this book will be able to help me pull this through. I also appreciate the recipes given here, and of course the 31-day meal plan. This is going to be super helpful since I won't need to think of what to prepare anymore. There 20 different meals given here and, for me, this is more than enough.

Losing weight is easy If the person will do it religiously with a mindset. Sometimes to discipline oneself is hard because we are the masters of our self any excuses and alibi could be invented, so the program sometimes was cut and oftentimes neglected. I love the concept of this book as the recipes given are easy to follow and include in a month diet plan. I am convince that following the steps and strategies offered by this book that a rapid weight loss can be achieve if not 100% target at least a percentage of it.

Weight Watchers program is one of the best programs that I know because of my friends who achieve weight loss while under this program. My brother suffers from overweight and after my friend lends me this book to read I got interested and talked to my brother regarding this book. He tried to follow the guides written and some diets too, and he got so excited to try the meal plan with 20 different meals. Sounds exciting. I just can't wait to see the result.

This book is a perfect diet plan for people who want to lose weight rapidly. Losing weight is not easy to do if you don't have the determination to achieve your goal. This book will also provide step by step instruction on how to cook delicious and healthy meals. I can't wait to try this book! This is a perfect guide for all weight watchers. I highly recommended this book to all!

Tired of being fat? well this is the right time to start trimming down weight and start looking fresh. This weight watcher book is the best book that will help you loose weight so easy. A book that provides a plenty of strategies to burn fat rapidly plus it also gives a full month recipes. So meaning exercise and diet meal combination that will surely boost weight loss.

The author has introduced relatively a different guide book that works rapidly on you in losing weight through smart ways. This guide has provided weight watchers that is the no B.S smart starting points that has shared 31 day beginner meal plan amazingly. This guide instantly reduce weight and makes you fit and smart. I do recommend this guide book to all!

Iâ™ve been trying recipes from this for two 2 days now and everything we try comes out great. Recipes are simple and the required ingredients are already in my kitchen. This book is recommended to anyone interested in cooking easy healthy meals. This book can help me stay on track with the Weight Watchers program. I am putting the book to good use!

Straight to the point, concise and very helpful. It's only been a few days since I started following the tips and advice from this book and I'm seeing improvements already. It's not much yet but it's definitely better than just starving myself by not eating. Great book and will recommend.
