I liked it, the book deliver what it says it is going to deliver. I also enjoyed reading the recipes, âœMediterranean beef shankâ • surprised me, it looked delicious so I'm definitely going to try it out soon. The nutrition facts should be just a little bigger, I love that the author took the time to add them, 5 thumbs up!

Great pressure cooker book I have. I love that it only uses real food ingredients instead of processed stuff. However, it makes up for it with reasonably detailed instructions for every step of the pressure cooking process. If you are looking for good recipes while learning to use your

pressure cooker, this is the book.
