# Fondue Cookbook

## Synopsis

Easy, inexpensive, and fun to eat for everyone--no wonder fondue is back in style! Whether as a main course or a scrumptious dessert (like a mouthwatering chocolate mint version, served with raspberries and bananas), it's the meal in a dish that makes a party. More than 50 incredible recipes feature cheese, vegetable, meat, and sinfully sweet variations. Be a traditionalist with Neuchatel fondue, made with Emmental and Gruyere cheeses: bread is the dipper of choice here. Chop up a nice mix of fresh spring vegetables--button mushrooms, cauliflower, broccoli, carrots--and dunk them into a special batter of flour, oil, and egg whites; tomato relish on the side provides the perfect finishing touch. Or, try a tempura, seafood, and white wine fondue: Mongolian lamb hot pot; and even one with melted ice cream! The choices are endless and will have you reaching for your fondue pot night after night.

## Book Information

Paperback: 64 pages

Publisher: Sterling Publishing (March 2002)

Language: English

ISBN-10: 0600605922

ISBN-13: 978-0600605928

Product Dimensions: 7.9 x 7.9 x 0.3 inches

Shipping Weight: 7.2 ounces

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #2,015,597 in Books (See Top 100 in Books) #52 in [Books > Cookbooks, Food & Wine > Kitchen Appliances > Fondue Pots](#)

## Customer Reviews

A friend of mine bought me a fondue pot as a gift so I set out in search of a good fondue cookbook. When I found this book I was thrilled - cheese appetizers, entire meals cooked in oil or stock type fondue pots, and marvelous chocolate desserts!! As I started trying the recipes I found several of the ingredients difficult to find in my small town grocery store, but having lived in cities I am sure the ingredient list would have been easier to fill were I still there. The beginning of the book is full of helpful tips and advice but sometimes I found the recipes to be less specific than I wanted. Not every recipe is pictured, but those that are look much better than how mine turned out. I will say though, everything I've tried, even with some substitutions, has been good. The dessert section is the best and there are some great recipes for banana fondue, ice cream fondue and some other

tasty treats I didn't see elsewhere. Being new to fondue I went back to find a simpler book but I am growing into this one. If you're looking to really dazzle your company and understand fondue this is a great resource!! If you're just learning - come back to this book, it will be more enjoyable once you've tried some simpler recipes.

I love this fondue cookbook that I received along with a beautiful Emile Henry fondue pot as a gift. I had done the usual meat, cheese and chocolate fondues in the past, but this book goes beyond the typical. Black current cream fondue for dessert is my absolute favorite which is saying something because I could eat all the chocolate fondues I've made from this book with my fingers - forget dipping! The seafood and white wine fondue is another all time favorite. Lots of ways to make fondue that are original, beautiful and yummy. I also like that there are everyday dishes and really fancy things to serve for a dinner party.
