I learned so much more about flower arranging than I ever could on my own after reading this book. Felipe Sastré's designs are some of the most beautiful creations I have ever seen. He rivals any celebrity florist out there right now. I was inspired to continue my design knowledge and luckily

learned that he is currently sharing his wealth of experience in his own flower school. Thanks to this book and felipesastreschool.com I am getting rave reviews for my own designs and am thinking about going in business to do this thing I love. Thank you Mr. Felipe SastrÃ©© for being so generous with your knowledge and designs. I recommend this book highly, and if u happen to be in the New York area I totally recommend his classes at felipesastreschool.com as well. You will not be disappointed!
