Strategic & Tactical Considerations On The Fireground And Resource Central Fire -- Access Card Package (3rd Edition) (Strategy And Tactics)

Synopsis

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

-- Blending theory with personal experience, *Strategic and Tactical Considerations on the Fireground*, Third Edition, features over 40 years of author experience. Using a systems approach, the text covers not only strategic decisions but tactical operations, guiding students through the process of problem identification and solution response. From planning to incident scene control, this text provides knowledge and tools that can be applied to a variety of complex fire situations.

Customer Reviews

I would buy this one again. Great book for the line firefighter or company officer. Easy to read and

understand.

This is one of the better firefighting books I have read. I had to read it for a series of exams. It held my interest and I learned something from it.
