Relentless (Fallon Sisters Trilogy Book 1)

Synopsis

Multi-award Winning Romantic Suspense Sister Trilogy"O'Dwyer displays an unfailing instinct for building and maintaining story tension and intensity, and for creating complications as believable as they are compelling."~USA TodayThe Fallon Sisters TrilogyThree sisters. A trifecta of trouble for three men. And one road that leads home.~A galloping good read. [Relentless] will keep you breathless right to the end.~Jenny Edwards, Founder and Director, Hope for HorsesHeadstrong horse rescue director Bren Ryan has been a red-headed streak of trouble for more than one man in Clear Spring. She's grown up needling local ~kill buyer~ • Wes Connelly, and since the sheriff ruled her husband's sudden death an accident, Bren's been investigating things herself. She's certain Tom was murdered, and she's hell-bent on cornering his killer the only way she knows how~by tempting him to do it again. And she's the bait.Rafe Langston came to Maryland looking for land and a fresh start. Or so he says. The sexy cowboy isn't generous with details, but Bren couldn't care less~until he buys half her farm at auction and moves into her childhood home. Suddenly, the last man she should befriend becomes her only ally in solving her husband's murder.Soon their cozy stakeouts sizzle with unexpected desire neither one can ignore, threatening his mysterious plans and her promise to never fall in love again~especially with a handsome stranger whose secrets could shatter what family she has left.See why this winning trilogy received award after award!~ 2013 Connecticut Romance Writers Award Nominee (Forsaken)~ 2011 Winter Rose Nominee (Relentless)~ 2011 Heart of the West Award Nominee (Relentless)~ 2010 Chick Lit Get Your Stiletto in the Door Winner (Defiant)~ 2010 Southwest Writers Finalist (Defiant)~ 2010 Santa Fe Writer's Project Finalist (Defiant)>>>>Fallon Sisters Trilogy Receives Rave Reviews

Customer Reviews

Parts of this book were very good, kept my interest up. But many parts were extremely unrealistic. Too many twist and turns, which resulted in the book being unbelievable. But the worst part that almost ruined the entire book for me, was the fact that a significant chunk of the book was missing. It changed from one paragraph with a group of characters, to a completely different group of people, at a different time, and a different location. Not only did I not know what happened in between, but I had no way of knowing the amount of time that was actually missing. There were many places throughout the book that could have benefited from good old fashion editing. I don't think I will spend my time, nor money, on any more of this series. I'm sure the extravagant writing method will be the same, don't know if I have it in me to work through the mistakes. I just hope this was one of the free books...but then you know what they say about getting what you pay for.

Bren Ryan and her family have had a horse rescue farm for years. After Bren's husband turns up dead she goes on the hunt for the killer and she thinks she knows who it is, a "kill buyer" named Wes Connelly. When Wes goes too far and steals her horse Smiley and sends him to Mexico to a slaughter house, the feud escalates. Then a stranger named Rafe moves into town and Bren and Rafe become good friends. Rafe and Bren go to Mexico to try and save her horse and end up in a cartel war. There are a lot of twists and turns in this book but the last few chapters lead you in different directions and keep you turning pages until the end of the book. Some things I just never saw coming and I am usually pretty good at these things. I love all of the suspense and heart-breaking scenes that erupt in this book. This is the first book in the Fallon Sister series. And I am ready for the next book. This is a first time read for me of this author and I am happy to find her.

Too close to home. A horse rescuer and a mother who is bent on making sure her rescues aren't

just meat for those big corporations that manufacture animal food.Or is she actually rescuing herself from a life only meant to be filled with heartbreak? The answer is in the next to last chapter of the book.Not all killers are what they appear to be at these horse auctions. There are actually some big hearted killers who will work with you to rescue a certain horse. You can not save them all but the sound horses, if you can save one - then you have done good.

RELENTLESS by P.J. O'Dwyer is an amazing read that competes with authors such as Sparks and Patterson. Every page was just as addictive as the next. "Relentless" was captivating, and kept me wanting more until the very end. I can not wait for the next book in the series!

Excellent book. Great story. Awesome characters. Didn't want it to end, I bought the second one in the series within two minutes of finishing this one. My sister has taken in 14 horses rescued by our sheriff's department in the last two years so I really enjoyed that aspect. I don't find many stories that revolve around rescuing.

A great story! I love horses and so does this author if this story is any indication of her interest in saving horses from being sent to slaughterhouses when they are no longer of interest or use to the people who supposedly care for them. I have passed on the Horse Rescue information to my Facebook friends and family and hopefully others will also.

I enjoyed this story a lot, although there were times I wanted to shake Bren until she grew up a bit and developed some self-control. A widow who feels some guilt about her dead husband, has a significant amount of debt and a nasty enemy, and faces all of that with the need of some anger management, she has a tough road ahead of her. And then I wanted to shake Rafe and tell him to come clean and get over all the secrets!! I did figure out one of the twists, I had an inkling of another, and a third caught me totally by surprise. The story kept my interest and I'm already reading the next one - which, by the way, is about Bren's sister but is a totally different story (but also very good). And I got the third one, so I guess you can tell that I think they're pretty darn good.

This story was fabulous. It had me experience a ray of emotions. Along with moments where I wanted to reach in through my kindle app and do some pow pow of my own for what I'd just read that a certain piece of s*** character did at one time or another. The characters development was spot on and realistic. I was glued from start to finish wondering where it would end to get the HEA.

Was very pleased and couldn't wait to start on Kate's story too. Purchase this book and you won't be disappointed.
