Cat Home Alone

Synopsis

It requires careful thought to maintain the state of opulence and ultimate comfort to which your cat is accustomed when you're not around to attend to her every need. That's way Regen Dennis has created Cat Home Alone, a book of tips on how to make your home a kitty haven when you're away--while making sure the house isn't a total wreck when you return.Â

Customer Reviews

This is a basic how-to which would be good for a first-time cat owner or child. It's not meant to be an encyclopedia of cat behavior. The illustrator is a friend of mine, so completing my Kipling West art collection was the main reason for purchasing this kit. The toy is a fluffy white furry ball on a wire which can be attached to a door with the turquoise plastic mounting bracket. I suspect that this kit was envisioned to be an easy gift for the new cat owner -- an easy and sweet way to say, "Welcome!"

The content of the book is not as informative as the title sounds. Also, the toy coming with the book

is nothing special - my cat has already had it!

It's a cute book with fun things to do for your cat. My 8 year old likes it so it's more informative for kids.
