Customer Reviews

It's a good recipe book. I'm originally from Russia but I've lived outside for a long time. Now I live in Asia and this book allows me to ask my maid (who doesn't speak Russian) to cook something from the Russian cuisine (although I don't recognize some dishes but they are still very nice). Also, as it has illustrations, it helps my maid to know what the final product should look like.

CUTE little book with some interesting recipes inside. I also enjoyed reading about the staples of Russian cuisine. Can't wait to try some of the recipes. Only issue is some of the ingredients will be hard to locate. (aka rabbit, venison).

I love the pictures and selection of the recipes!

There are some good recipes in this book.

Can't wait to try some of these recipes.
