Juliana keeps healthy nutritious pulp inside the glass. She has the lifestyle of clean drinking and eating down to a science and shows you how you can go into your kitchen, make a high speed blender juicing recipe, clean up and be out in most of the cases in about 5 minutes max. She shows you some amazing recipes that are boosting your immune system, restoring your body's natural ability to heal itself, energizing and regulating your hormones, helping neutralize free radicals in our body and brain, satisfying your daily supply of the cancer fighting mineral selenium, treating fungal bacteria in the body like candida, boosting your energy level to fight against fatigue and illnesses, losing some weight and become lean, burning fat, and many health benefits!
